MONACO INTERNATIONAL NEWSLETTER

A Chapter of Family Motor Coach Association

Note From the Prez

Here's to a
**HAPPY, HEALTHY
 & PROSPEROUS
 NEW YEAR!**

Now is the time to make travel plans for this year. Start by completing your registration for our Moultrie, GA Rally in March, then Branson, MO in May, Manitowoc, WI in August and the Balloon Fiesta in October. If you've already sent your application in, thank you. It makes our job much easier and helps us make your rallies even better. Early registrations allow us to put on a better rally by attracting more vendors and suppliers; and negotiate better prices for food and entertainment. The rallies listed are sponsored by your Monaco International RV Club, a chapter of FMCA.

Winter has finally come to those of us in the Northeast. Christmas weekend we had our first significant snow fall of the season, 18 inches. Thank goodness it was light fluffy snow, or we would still be digging out. It seems that not much of the country has been missed by the extremes in the weather. Every day

we hear of another storm from the west coast dumping either rain or snow somewhere on its way East. Spring is right around the corner, and we hope to see you in Moultrie for the great Mardi Gras Celebration.

Membership Update

Happy New Year and thanks to everyone who has renewed their 2011 membership in Monaco International. This year renewal notices were sent out by email or snail mail if we did not have an email address on file for you. We have had a good response and it has saved the club money and many trees. Once again thank you for renewing and if you are not sure of your membership status email or call me. Remember you must be a current member of FMCA & Monaco International to attend Monaco International rallies at member rates.

I would like to take this opportunity to thank the membership for allowing me to serve as your Vice President of Membership for the last three years.

I will be going out of office at the Moultrie rally. It has been my pleasure to work with everyone. A special thank you to the Regional Directors and everyone who has served as a mentor for the first timer program. You have been very generous with your time when I have called and asked you to be a mentor. See you in Moultrie.

National Directors Report

Our FMCA National President, Charlie Schrenkle, has been forced to step down from the position due to ill health. We wish Charlie well and appreciate his contribution to FMCA over the years. Judy Czarsty, the National Senior Vice President is the Acting National President. Judy is extremely capable and you may feel assured that your FMCA organization will continue to serve your needs in all areas as in the past.

I would like to remind you to get your application in to attend the 85th FMCA Winter Convention scheduled for March 14-17, at the Georgia National Fairgrounds & Agricenter in Perry, Georgia. I hope you will plan to attend and show your support for Judy and FMCA at this time. The convention follows the Monaco International Pre-Rally in Moultrie. You may register on line at FMCA.com. Remember Monaco International members will caravan to Perry and park together.

The summer 86th FMCA Convention is scheduled for August 10-13, 2011 at the Alliant Energy Center in Madison, Wisconsin, again following the Monaco International Pre-Rally in Manitowoc, Wisconsin, August 2 – 6, 2011. Many of you are no doubt aware; the FMCA Winter Convention scheduled for 2012 in Pomona, California has been cancelled.

National Director

MARCH 7 - 11, 2011

Time is drawing near, if you haven't registered for the great Mardi Gras Rally, you better "GET R DONE!!!!" Following are just a few of the terrific activities we have planned for your pleasure. There will be super entertainment each night beginning with "Big Mike and his band," a Georgia statewide favorite. We will be entertained by one of the foremost comedians from Cajun Country, Murray Conque. A special treat awaits you with the appearance of "Patsy Cline".....she comes to us all the way from Moultrie. The food will be prepared by our favorite caterer, Billy Sims and the menu promises to be to everyone's liking. There will be a full Salad Bar each evening available during our cocktail hour. What more could you ask for?.....Oh yeah!!!! Monaco will have their parts truck available and techs will be there to service your coach.

MARDI GRAS PARADE: The Rally will begin with our own special Mardi Gras Parade.

All are invited to participate! For complete information, contact our parade Chairs: Art & Ellen Brighton, brighton.orlando@gmail.com or (703) 623-9968 for details on reserving your spot to make sure you, your club or your special group is represented in the parade. "You will love the prizes."

LADIES LUNCHEON: There will be a Mardi Gras hat contest at the ladies luncheon. Design a hat....

anything from hats to crowns to headbands. There will be prizes awarded to the winners! Traditionally, Mardi Gras colors are purple, green and gold... as to glitz, glitter and feathers, there is no limit. So ladies, go for it!

MONACO INTERNATIONAL MARDI GRAS IN MOULTRIE

Calling all Chili cooks and connoisseurs.....We are having the first ever Monaco International Chili Cook-off in Moultrie. You can enter as an individual or as a team. We encourage individual Monaco clubs to put together teams to compete. The Cook-off rules are in this newsletter, and will be posted on the web site.

Each entrant will be provided space with a 6 foot table and electricity. You provide your own cooking equipment, and any decorations, signs etc. to advertise the name of your chili or team.

We have a panel of experienced, unbiased judges. Here are the general attributes or characteristics of traditional red chili that each judge will be evaluating.

TASTE - Taste, above all else is the most important factor. The taste should consist of the combination of the meat, peppers, spices, etc, with no particular ingredient being dominant, but rather a blend of the flavors.

CONSISTENCY- Chili must have a good ratio between sauce and meat. It should not be dry, watery, grainy, lumpy, or greasy.

AROMA - Chili should smell good. This also indicates what is in store when you taste it.

COLOR - Chili should look appetizing. Reddish brown is generally accepted as good. Chili is not yellow or green.

BITE - Bite or after taste is the heat created by the various type of chili peppers and chili spices.

PRESENTATION - We're looking for the total of all the attributes and characteristics presented in a way that screams "I'm the winner."

To enter, just send an email to John & Peggy Rahkola at MISecretary@cox.net, so we will know how many tables and how much electricity will be needed.

Start going through those recipes!

MANITOWOC, WISCONSIN

MANITOWOC COUNTY EXPO & ICE CENTER
AUGUST 2 THRU 6, 2011

Discover Wisconsin is the theme for the Monaco International Pre Rally being held in Manitowoc, Wisconsin. Judy and I are working daily to make this an enjoyable fun filled rally. A terrific local caterer has been hired with a menu of Wisconsin cuisine. Also hired is great entertainment for your enjoyment. The facility is a large fairground with an ice arena, exhibition buildings and large open air covered pavilion for daily activities, socializing and relaxation. A registration form is available on line at Monaco International RV Club (Rallies).

Manitowoc is known as Wisconsin's Maritime Capitol and has the largest Maritime Museum on the Great Lakes, with displays of everything from wooden sailing ships to a World War II submarine, which can be toured. Charter sport fishing boats depart from the city's modern harbor daily. The city is also homeport to the only remaining coal-fired steamship in North America, the S.S. Badger Car Ferry, steaming from Manitowoc to Ludington, Michigan. West of the Lake Gardens is a beautiful private Botanical garden on the shores of Lake Michigan, donated to the city and is open for your enjoyment at no charge. A wonderful paved walking and biking trail runs for miles along the shore of Lake Michigan between Manitowoc and Two Rivers, with uninterrupted beautiful views of the lake, marinas and surrounding areas. While in the area you certainly do not want to miss visiting the wineries and cheese factories, sampling their wonderful products and learning how they are grown and produced.

When traveling to the rally plan on coming to Wisconsin early and staying late since there are so many interesting things to see and do. Some of which are; AirVenture Museum in Oshkosh (The EAA FLYIN - 1 week before the rally), Lambeau Field in Green Bay, Door County's unique towns, shops and restaurants, House On The Rock in Spring Green, ride the Ducks and view towering cliffs and unique rock formations at Wisconsin Dells. In Milwaukee tour Harley Davidson, Miller Brewery, Calatrava Milwaukee Art Museum, The Domes and Discovery World at Pier Wisconsin.

**These are just a few highlights of things to do.
We invite you to come and *DISCOVER WISCONSIN!***
