

To All Monaco International Members who are planning to attend the MI Westward Ho Pre-Rally in Gillette, WY who also plan to stay for the FMCA Family Reunion in Gillette but have not yet registered.

You need to register for both our Pre-Rally and the FMCA reunion ASAP. We still have sites available for our Pre-Rally, BUT FMCA has already closed the On Line registration for both 50 amp and 30 amp full hook-up sites.

However, FMCA is temporarily holding a limited number of full hook-up sites for those attending our Pre-Rally and plan to stay for FMCA. As FMCA has already closed the On Line registrations for full hook-up sites, you will have to call FMCA at 1-800-543-3622 and ask for Event Registration. Identify to them that you are registered for and are attending the Monaco International Westward Ho Pre-Rally and need to register for the FMCA Family Reunion (convention). I am in frequent communication with FMCA events office to verify both registrations.

Even if you are not planning to stay for FMCA, we want you at the Pre-Rally. However, if you are planning to stay for FMCA and don't do this very soon, you will probably find that you can not get the same hook up at FMCA as you have at our pre-rally and will have to move sites between rallies.

Bob White – Registrar  
MI Westward Ho Pre-Rally
