Rally Report

Monaco International held their Pomona Pre Rally in Pahrump Nevada between March 17th and 23rd 2015. Using two RV Parks, The Best Western and the Preferred RV Park all attendees were offered full hookups. Our catering and bar service was provided by the Pahrump Nugget casino.

We also offered an early bus tour to Death Valley, filling our one bus up on the 15th and hearing nothing but “outstanding tour” from each of the 55 participants on their return.

We had a total of 137 coach’s attend the rally, four dry campers and 133 full hookups. Our vendor Paul Everett sold five coach’s at the rally.

What were the highlights of the rally? **The food?** I have had many members tell me that this was the best food service and presentation that we have had at a MI rally for many years. **The entertainment?** Three nights of professional entertainment. The Eagles tribute, the music of the 50’s and don’t forget the comic who was especially good. I don’t believe anyone went home early for his presentation. **The vendors and seminars?** A lot of work went into filling our vendor room with good vendors, and the seminar guy, he was like the energizer bunny. **The Comradery?** Yeah, this is what I would vote for, all of the other items were great, but to be around like minded people for a few days, renewing old acquaintances, and making new ones. The effort that was put in to insure that the first timers had a good experience was good. Perhaps the only thing better was the **Ice Cream bars**, but then I always did like ice cream best.
