

**Moultrie, GA – “Show Time in Moultrie”
Monaco International Pre-Rally
March 10th through 14th, 2016**

The rally started with two days of early parking which provided plenty of time to enjoy the area and one of many fine restaurants. The weather cooperated for the most part, with rain during the evening a few nights.

We had vendors, both inside and out, and the REV/Monaco techs. I can't forget to mention the new Monaco Dynastys on display, a new Holiday Rambler, and many used coaches that were all available for purchase.

We had 123 coaches in attendance

The first night of the rally featured a preview party, with food, refreshments, and an opportunity to view one of the 2016 Dynasty's and a selection of gently used coaches from Paul Evert's on display. Breakfast in the morning, liquid refreshments and salad bar just before dinner, each of the four days we were there and entertainment three nights was enjoyed by all, and we were able to feed all 250 diners each night in about 15 minutes.

The entertainment was exceptional; we were thrilled with “Big Mike and the Booty Papas” played the first evening, the next evening with “Mark Cordes, The Spouse Whisperer” and Sunday evening with “Haywire.”

We enjoyed hand-dipped ice cream sundaes on Sunday afternoon.

We raised just under \$5246 (which included a \$2098 match from the club) for the Couquit SPCA.

The staff at the Expo Center did a great job in making us feel welcome.

Jack and Terri Brewster,
Rally Masters
